YOUR LOCAL PARTNER FOR EXCELLENT PATIENT CARE

ABOUT US

At Ultra Care Pharmacy, you can be confident that we put our patients first.

We accept most insurances and competitive prices for those without insurance.

We offer convenient, friendly, and personalized services to all of our customers.

OFFERED SERVICES

Compounding:

We provide our patients with customized medications. This allows the patient and physician flexibility in the choice of drug, strength and form.

E-Prescriptions Accepted:

Save time and ask your doctor to e-prescribe your medications today!

AND MUCH MORE...

Personal Patient Counseling:

Our pharmacists are available to answer any questions, discuss your symptoms or if you have questions about any of your current medications.

Blister Packing:

We pack your medications in an easy to use perforated blister with patient and medication name on each blister, separated by morning, noon, evening and bedtime doses if needed.

Immunizations:

Our pharmacists are licensed in giving vaccinations for the flu, shingles, pneumonia, etc. (must be 18 and over).
